

Equipment Loans Policy

Last reviewed: 02/11/2021

Introduction

This policy outlines the loaning of equipment from Spirit Studios to staff, students and other individuals that cannot be supplied under the terms of the Rules for the use of Facilities and Equipment policy. Such loans must provide an organisational benefit to Spirit Studios.

I.e. A student could organise an event outside of Spirit Studios premises and request a loan of equipment that they require for the event. Such an event isn't a requirement or an assessment for the student's course but Spirit Studios view it as positive educational development for that student.

Spirit Studios recognises the importance of ensuring equipment is kept available on-site for use by staff and students under the terms of the Rules for the use of Facilities and Equipment Policy. Any such loan of equipment for personal use is carefully considered. No equipment will be removed from any facility to loan to any individual. Only sign-out equipment, location equipment and other stock items (I.e. chairs & tables) will be considered.

The Facilities Manager has overall responsibility for ensuring Spirit Studios complies with this policy.
